What Are The Others Doing? Guided Audio CD Collection

This series consists of 12 carefully crafted CD recordings based on LM Literacy titles, designed for small groups of students using listening posts. These will engage a group of children in a meaningful book based activity while teacher-led guided reading takes place.

*Developed in conjunction with Wendy Bean,
Educational Consultant, NSW.*

**Guided Audio CD,
Teachers' Notes and 6
books in each set!**

Features of Guided Audio CD Collection:

- ▶ A lesson on CD to support guided reading. Expertly read to engage students with the book.
- ▶ Designed to engage one group of children in a meaningful book based activity.
- ▶ Students will benefit from an 'extra' lesson where they will be guided in an in depth exploration of the text.
- ▶ Students will hear the book read aloud. The modelled reading will support the children in their own reading.
- ▶ The CDs DO NOT replace the guided reading lesson with the teacher but do provide an extra 'mini' lesson to support student growth in reading.

Teacher Support

- ▶ Each CD title contains notes to assist the teacher in organisation and to provide an overview of the content of the lesson the group will be engaged in.
- ▶ In addition, each of the Guided Audio lessons is accompanied by a response to the reading in the form of a Black Line Master. The responses involve the students in writing with the aim of strengthening the reading/writing connection.
